Terms & Conditions

Please read these Terms & Conditions ("Terms", "Terms & Conditions") carefully before:

- Participating in the CASSINI Hackathons & Mentoring action (the "Action");
- Applying for the CASSINI Mentoring programme (the "Mentoring Programme") through the Action's Call for Mentors (the "Call for Mentors") via the CASSINI Hackathons & Mentoring website (the "Website");
- Registering for and accessing the online communication platform provided by Discord, Inc. (the "Communication Platform"); or
- Accessing the Website, Communication Platform, or Mentoring Platform (jointly the "Platforms");

The CASSINI Hackathons & Mentoring Action, including its components such as the Call for Mentors, is implemented by Verhaert New Products & Services NV and SpaceTec Partners SRL ("us", "we", "our", or the "Organisers") on behalf and under contract with the European Commission.

Your application for, access to, participation or involvement in the Action is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, applicants, mentees, mentors, and others who seek to participate or already participate in the Action's Mentoring Programme or who access or use the Platforms in the context of the Mentoring Programme. You confirm that you are of legal adult age (18 years or older), and you are legally capable of entering into binding contracts.

By applying for, accessing, or participating in the Action, or by accepting the invitation to be part of the Action's mentor pool, you agree to be bound by these Terms. If you disagree with any part of the Terms, then you may not apply for or participate in the Action, nor become part of the mentor pool.

1 Introduction

1.1 Objectives

CASSINI Hackathons & Mentoring is a biannual entrepreneurship action of the European Commission with the objective to foster the growth of young businesses that successfully commercialise innovative European space technologies.

The Action consists of multiple hackathons (the "CASSINI Hackathon", or "CASSINI Hackathons") and a mentoring programme (the "Mentoring Programme"). Each CASSINI Hackathon features several Hackathon Events, such as the inspiration event (the "Big Ideas Campaign), dedicated online training sessions (such as webinars), a hackathon taking place on a weekend (the "Hackathon Weekend"), and the award ceremony (the "Demo Day"). The CASSINI Mentoring Programme is a 6-month mentoring scheme for the 3 winners of each edition of CASSINI Hackathons. It is designed to help them advance the development of their solution, do market research and design a viable business model and eventually turn the hackathon project into a business.

1.2 Contracting party

The contracting parties in these Terms are Verhaert New Products & Services NV, with its registered address at Hogenakkerhoekstraat 21, 9150 Kruibeke, Belgium, and SpaceTec Partners SPRL, with its registered address at Avenue Louise 66, 1050 Brussels, Belgium.

1.3 Mentees

The Mentees (the "Mentee", or "Mentees") are individuals who have been granted access by the Organisers to the Action's Mentoring Programme as beneficiaries of the mentoring, either directly or after participation as

Hacker in one of the CASSINI Hackathons. Each participating Mentee is eventually part of a team (the “Mentee Team” or “Mentee Teams”). Each Mentee can only be part of one Mentee Team. Each Mentee Team is represented by a leader (the “Team Leader”, or “Team Leaders”). The Team Leader is the formal and sole contact point with the Organisers concerning the Mentoring Programme. Any planned or unplanned changes to the team composition of a Mentee Team are to be announced to the Organisers by the Team Leader without undue delay. Changes to the team composition of a Mentee Team can allow for additional or split teams, as communicated to the Organisers by the original Team Leader and after the Organisers approval. Additional or split teams appoint new Team Leaders.

1.4 Mentors

The mentors (the “Mentors”) are the individuals who have been selected by the Organisers to provide mentoring to the Mentees during the Mentoring Programme. Mentors are natural persons but can be represented by a legal entity for invoicing purposes.

1.5 Content

Our Platforms allow you to post, link, store, share and otherwise make available certain information, text, graphics, videos, or other material (the “Content”). You are responsible for the Content that you post to the Platforms, including its legality, reliability, and appropriateness.

By posting Content to the Platforms, you grant us the right and license to use, modify, perform, display, reproduce, and distribute such Content on and through the Platforms. You retain any and all of your rights to any Content you submit, post or display on or through the Platforms and you are responsible for protecting those rights. You agree that this license includes the right for us to make your Content available to other users of the Platforms, who may also use your Content subject to these Terms.

You represent and warrant that:

- The Content is yours (you own it) or you have the right to use it and grant us the rights and license as provided in these Terms; and
- The posting of your Content on or through the Platforms does not violate the privacy rights, publicity rights, copyrights, contract rights or any other rights of any person.

Further, you warrant that:

- The Content will not cause you or us to breach any law, regulation, rule, code or other legal obligation;
- The Content will not or could not be reasonably considered to be obscene, inappropriate, defamatory, disparaging, indecent, seditious, offensive, pornographic, threatening, abusive, liable to incite racial hatred, discriminatory, blasphemous, in breach of confidence or in breach of privacy;
- The Content will not be unsolicited, undisclosed or unauthorised advertising;
- The Content does not contain software viruses or any other computer code, files, or programs designed to interrupt, destroy, or limit the functionality of any computer software, hardware or telecommunications equipment; and
- The Content does not bring us or the Platforms into disrepute.

You agree to keep all records necessary to establish that your Content does not violate any of the requirements this clause and make such records available upon our reasonable request. We are under no obligation to regularly monitor the accuracy or reliability of your Content incorporated into the Platforms. We reserve the right to modify or remove any Content at any time.

1.6 Code of Conduct

Any activities promoting or related to alcohol, tobacco, religion, politics, intolerance, violence, firearms, pornography, obscenity, gambling, or illegal drugs are explicitly excluded from participation to the Action.

We are dedicated to providing a harassment-free experience for everyone, regardless of race, creed, colour, ethnicity, nationality, religion, sex, sexual orientation, gender expression, age, physical appearance, body size, disability, or marital status. We do not tolerate harassment of hackathon participants in any form.

Sexual language and imagery are not appropriate for any hackathon venue, including hacks, talks, workshops, parties, social media and other online media.

Any Mentee, Mentee Team, or Mentor violating these rules may be sanctioned or expelled from the Action at the discretion of the Organisers.

2 Participation as a Mentor

2.1 Right of participation

Individuals of legal adult age (18 years or older) are allowed to apply to the Call for Mentors and participate in the Mentoring Programme, on the condition of the individual's compliance with the eligibility criteria, namely:

- Employed by a legal entity registered in the territory of one of the European Union Member States, Iceland, Norway or Switzerland for the whole duration of the Action, whose business purpose is focused on business or technical consulting, e.g. business incubation centres, consulting companies, business intermediaries, university-based start-up centres, innovation agencies, etc.; or,
- Natural persons that reside in the territory of one of the European Union Member States, Iceland, Norway or Switzerland for the whole duration of the Action, with a proven mentoring track record of companies and entrepreneurs (preferably start-ups) in their chosen field of expertise.

Applicants to the Call for Mentors are also required to demonstrate proven business or technical mentoring of start-ups with verifiable references, and possess relevant knowhow in data and information businesses or one of the EU Space Programme application domains.

2.2 Call for Mentors

Participation in the Action as a Mentor is granted at the discretion of the European Commission, based on a selection process. The decisions on the selection of Mentors made by the European Commission shall not be subject to dispute in a court of law. These decisions shall be final and binding for all Mentor applicants in the Action. Mentor applicants shall have no right to justification for the decisions made by the European Commission or the Organisers in any selection procedure. The procedure welcomes all applications and shall not discriminate on the basis of race, creed, colour, ethnicity, religion, sex, sexual orientation, gender expression, age, height, weight or marital status.

The Call for Mentors will open on a rolling basis with cut-off dates announced on the Website.

Interested persons must apply during this time and follow the procedure below.

The Call for Mentors is organised and executed exclusively in English and via the Website of the Action. To begin participation in the Call for Mentors, the creation of a Mentor profile is required. When creating a Mentor profile, we will require you to share personal data such as your name and e-mail for the purposes of contacting you to validate your information and regarding your participation in the Call for Mentors. You will be required to read and accept these Terms & Conditions and Privacy Policy before registering as a potential Mentor in the Call for Mentors.

The Call for Mentors application (the "Mentor Application") consists of the collection of your personal information and your professional background and qualifications. The information you share in your application will be viewed by the Organisers and the European Commission for the purpose of reviewing and validating your application.

Upon completion of all required fields, you will be able to submit your Mentor Application on the website of the Action. Once a Mentor Application is submitted, it is considered ready for review and validation. You may withdraw your Mentor Application, make edits and resubmit it at any point before the deadline of the application. Mentor Applicants who are selected as Mentors in the Action will be notified after all applications have been reviewed. Mentor Applications in process that have not been submitted, or Mentor Applications submitted past the abovementioned deadline, are not eligible and will under no circumstances be validated.

Mentees in the Mentoring Programme can access all selected Mentor profiles and choose their preferred Mentors, based on their mentoring needs. The mentoring relationships only start on the initiative of the Organisers and with the approval of the involved Mentors and Mentee Teams.

2.3 Conditions of participation

2.3.1 Your commitments

Mentors who are given the opportunity to join the Action as a Mentor have been selected through an open and competitive evaluation, via one of the procedures and processes as indicated in 2.2. For each selected Mentor, other interested and motivated Mentor applicants may have been denied their participation due to the limited number of places in the Mentor pool in the Action. Considering this reality, and the fact that the mentoring service is remunerated, upon participating to the Action, Mentors agree to the following commitments when selected from the Mentor pool:

- During the initial mentoring sessions, the Mentors should evaluate the project of the Mentee Teams. This should lead to the identification of a clear and measurable business or technical objective(s), which the Mentor can support reaching;
- The delivery of input to the Mentor Plan, to be drafted by the lead Mentor, including an evaluation of the Mentee Team's project, as well as tailored and concrete steps on how to reach the selected business or technical objective(s);
- The delivery of input for the Mentor Report, to be drafted by the lead Mentor, which should identify the progress achieved by the Mentee Team in light of the objective identified in the Mentor Plan, as well as recommendations to further develop the business or technical project in the months following the Mentoring Programme;
- Attendance and active participation in meetings with the Mentee Team (in person or via video-conference);
- Commitment to respond to e-mail correspondence related to the Action within a reasonable number of working days; and
- Inform Organisers when the Mentee Team's participation to the Action becomes void, for example, if the Mentee Team stops pursuing the idea formulated in the Hackathon Submission.

Any failure to deliver the minimal above commitments as stated in 2.3.1 is a breach of your service as a Mentor and may result in a termination of your participation to the Action, according to the termination procedures as stated in 3 and a pro rata reduction of your service fee as stated in 2.3.2.

2.3.2 Service fee and cost reimbursements

The Organisers will pay a service fee of 100 EUR per mentoring hour (excluding VAT if applicable) to Mentors. The total amount of the service fee is subject to a pro rata reduction if the mentor relationship is prematurely concluded by the Organisers or either the Mentor and/or the Mentee, and the allocated mentoring hours have not been completed yet.

The service fee will be paid within 30 days after receipt of an eligible invoice by the Organisers. The total amount should include and cover all and any taxes and duties that are due, and the Mentor shall be solely responsible for ensuring that all and any of such taxes are paid by him/her.

2.4 Personal data and company information shared through your participation

Your personal data including contact details, e-mail addresses, and phone numbers, which you share during your participation as a Mentor to the Action will not be shared with any parties other than the Organisers, the European Commission, the Mentee Teams, the Platforms, and the event organisers or security teams of the events where the bootcamps take place.

With your participation to the Action as a Mentor, you agree to the use of your personal data for the following purposes:

- **Promotion & Communication:** the Action is funded by the European Commission. In its objectives to support start-ups using the EU Space programmes, a comprehensive communication campaign is essential. In addition, the Action's and its overarching CASSINI initiative's communication tools, such as the Website, newsletter and social media, are used as multipliers for the visibility of Mentors, contributing to their professional outreach. The Action may use your company name, your personal first and last name, your picture and a description of your professional expertise for such public promotion and communication purposes;
- **Hackathon Events:** for a smooth organisation of the events, which may be subject to security measures, we may invite you to share and use personal data, such as your travel schedules, first and last name, birth date, nationality, passport or ID-card number, dietary preferences. These data will be shared with the Platforms, the event venues and local security teams and will only be used for the organisation of the bootcamps;
- **Mentorship:** to ensure a good interaction with your Mentee Teams, we will provide him/her with your first and last name, company name, e-mail address and phone number. These data will only be used for mentoring purposes; and
- **Essential notifications:** to administer your (potential) participation in the programme, the Organisers send notifications to the e-mail addresses of the Mentors in the Action. As an alumni to the Action, your subscription to these notifications will survive your participation to the Action, but can be ceased any time by clicking on the respective link in the bottom of the notification, or by writing us a message at hello@hackathons.cassini.eu.

2.5 Non-Disclosure of Confidential Information Agreement

This Non-Disclosure Agreement (the "NDA") is entered into by and between the Organisers, on behalf of the Mentees and Mentee Teams of the Action (the "Disclosing Party") and the Mentor participating to the Action (the "Receiving Party"), hereby agreeing to these Terms & Conditions, collectively referred to as the "NDA Parties" or "NDA Party" for the purpose of preventing the unauthorized disclosure of Confidential Information as defined below.

With your participation to the Action as Mentor, you agree to these Terms & Conditions including the provisions of the Non-Disclosure Agreement below. This Non-Disclosure Agreement serves to protect the confidential information of each Mentee of the Action.

2.5.1 Definition of Confidential Information

For purposes of this NDA, "Confidential Information" shall include all information or material that has or could have commercial value or other utility in the business in which the Disclosing Party (representing the participating Mentees) are engaged and which is maintained with confidentiality. This includes but is not limited to proprietary trade secret information contained within and relating to Disclosing Party's business or technical plan, including but not limited to: business description, marketing plan, sales revenue forecast, profit and loss forecast, capital spending plan, cash flow forecast, future trends, personnel plan, business goals, personal financial statement, technical details, supporting documents and information conveyed in writing or in discussion that is indicated to be confidential.

Without Disclosing Party's prior written consent, Receiving Party will not: (a) disclose Confidential Information to any third party; (b) make or permit to be made copies or other reproductions of Confidential Information; or (c) make any commercial use of Confidential Information.

2.5.3 Obligations of Receiving Party

Receiving Party shall hold and maintain the Confidential Information in strictest confidence for the sole and exclusive benefit of the Disclosing Party. Receiving Party shall carefully restrict access to Confidential Information to employees, contractors and third parties as is reasonably required and shall require those persons to sign nondisclosure restrictions at least as protective as those in this NDA. Receiving Party shall not, without the prior written approval of Disclosing Party, use for Receiving Party's own benefit, publish, copy, or otherwise disclose to others, or permit the use by others for their benefit or to the detriment of Disclosing Party, any Confidential Information.

Receiving Party shall return to Disclosing Party any and all records, notes, and other written, printed, or tangible materials in its possession pertaining to Confidential Information immediately if Disclosing Party requests it in writing.

2.5.4 Exclusions from Confidential Information

This NDA does not apply to any information that: (a) was in Receiving Party's possession or was known to Receiving Party, without an obligation to keep it confidential, before such information was disclosed to Receiving Party by Disclosing Party; (b) is or becomes public knowledge through a source other than Receiving Party and through no fault of Receiving Party; (c) is or becomes lawfully available to Receiving Party from a source other than Disclosing Party; or (d) is disclosed by Receiving Party with Disclosing Party's prior written approval.

2.5.5 Time Periods

This NDA and Receiving Party's duty to hold Confidential Information in confidence shall remain in effect until 31 December 2027 or until whichever of the following occurs first: (a) Disclosing Party sends Receiving Party written notice releasing it from this NDA, or (b) Confidential Information disclosed under this NDA ceases to be a trade secret.

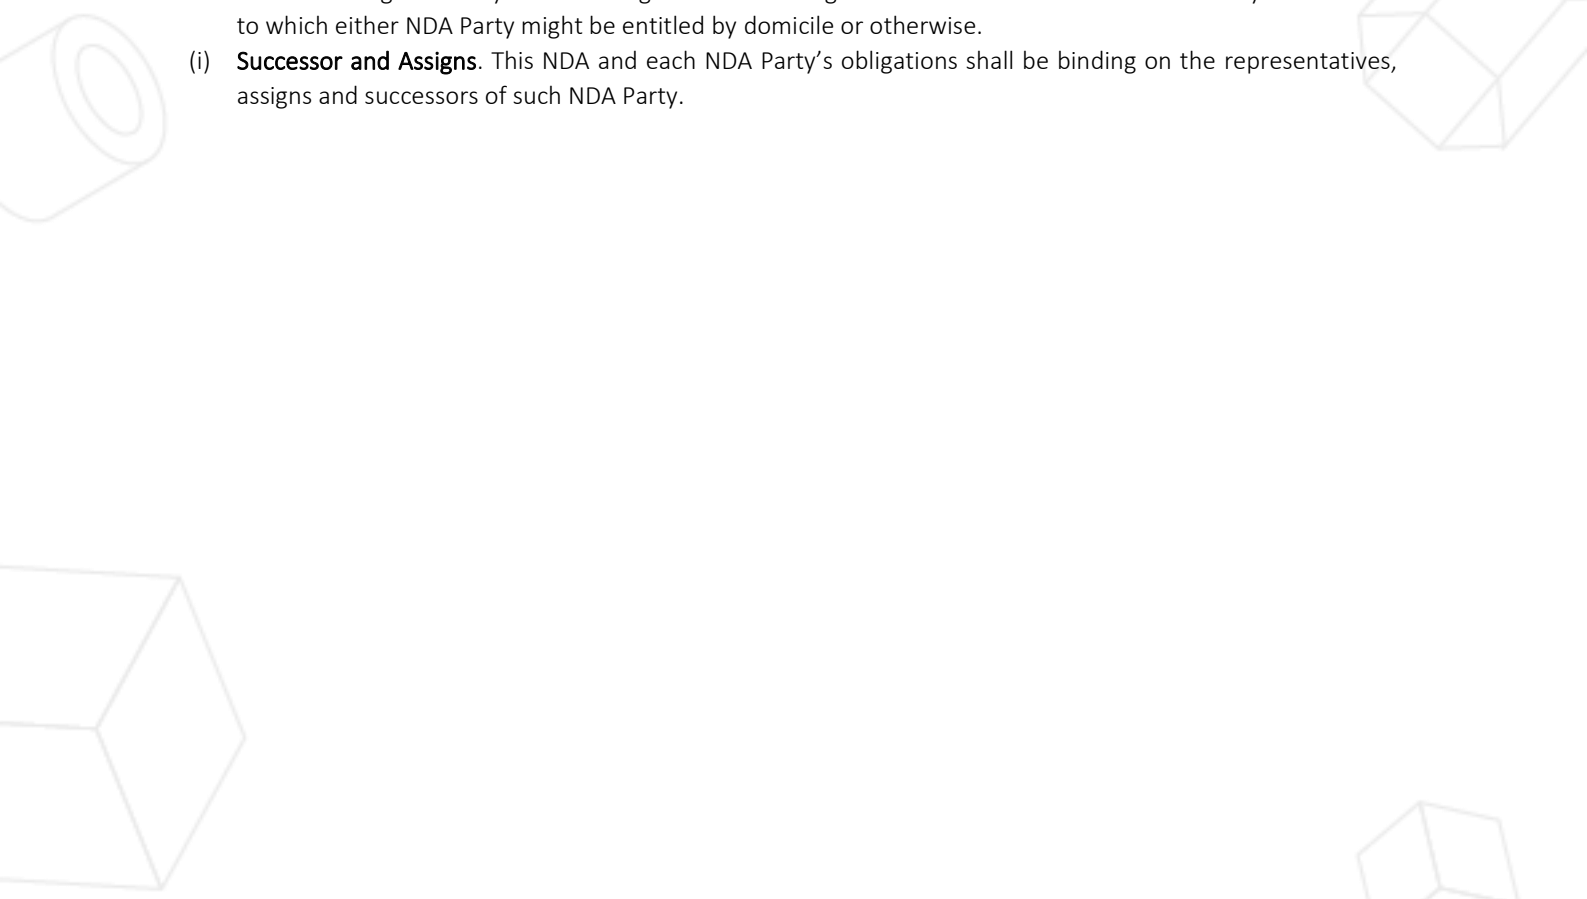

2.5.6 No Rights Granted

This NDA does not constitute a grant or an intention or commitment to grant any right, title or interest in Confidential Information to Receiving Party.

2.5.7 General provisions

- (a) **Relationships.** Nothing contained in this NDA shall be deemed to constitute either NDA Party a partner, joint venturer or employee of the other NDA Party for any purpose.
- (b) **Severability.** If a court finds any provision of this NDA invalid or unenforceable, the remainder of this NDA shall be interpreted so as best to affect the intent of the parties.
- (c) **Integration.** This NDA expresses the complete understanding of the NDA Parties with respect to the subject matter and supersedes all prior related proposals, agreements, representations, and understandings. This NDA may not be amended except in a writing signed by both parties.
- (d) **Waiver.** The failure to exercise any right provided in this NDA shall not be a waiver of prior or subsequent rights.
- (e) **Injunctive Relief.** Any misappropriation of Confidential Information in violation of this NDA may cause Disclosing Party irreparable harm, the amount of which may be difficult to ascertain, and therefore Receiving Party agrees that Disclosing Party shall have the right to apply to a court of competent jurisdiction for an order enjoining any such further misappropriation and for such other relief as Disclosing Party deems appropriate. This right of Disclosing Party is to be in addition to the remedies otherwise available to Disclosing Party.
- (f) **Indemnity.** Receiving Party agrees to indemnify Disclosing Party against any and all losses, damages, claims or expenses incurred or suffered by Disclosing Party as a result of Receiving Party's breach of this NDA.
- (g) **Governing Law.** This NDA shall be governed in accordance with the laws of the State of Belgium.

- 
- (h) **Jurisdiction.** The NDA Parties consent to the exclusive jurisdiction and venue of the federal and state courts located in Belgium in any action arising out of or relating to this NDA. The NDA Parties waive any other venue to which either NDA Party might be entitled by domicile or otherwise.
- (i) **Successor and Assigns.** This NDA and each NDA Party's obligations shall be binding on the representatives, assigns and successors of such NDA Party.

This termination will take effect immediately after such termination letter or e-mail has been sent, with the date indicated on post or time stamps as legal basis. Upon termination, your right to benefit from the Action will immediately cease.

If you wish to terminate your participation to the Action, you may do so in written (by letter or e-mail). This termination will take effect immediately after such termination letter or e-mail has been sent.
